Virtually magazine is **easy** to sell. We have had repeated comments that Virtually magazine should be selling for at least twice the cover price. One distributor in California sold over 10,000 copies in the first year and complains that he cannot keep them in stock.

Please be aware that we are not encouraging our distributors to offer subscriptions to customers. This would simply get too complicated. Our intent is to have distributors sell single copies. We do however offer 2 'Special 4 issue CDs' of Virtually Magazine along with a variety of other products.

In order to take advantage of the FULL 50% price break for distributors, we normally require a minimum order of 50 items, BUT for a limited time for your 'first' order we are offering the FULL 50% wholesale reduction off the cover price for orders of as few as 20 copies of Virtually Magazine (any combination.) We are also offering the same FULL 50% wholesale discount on orders of at least 20 VHS & DVD videos (any combination.) We will also throw in the discount for any other items (including CDs) ordered at the same time as at least 20 VHS & DVD videos. (In other words, if you order 10 videos, 10 DVDs, 10 CDs & 10 books the FULL 50% wholesale discount applies to everything.)

This means that for as little as \$150 you can become a distributor of Virtually Magazine CDs, or for as little as \$500 you can sell from all of our products including the VHS & DVD videos, and still enjoy the full 50% wholesale discount. In addition, for your 'first' order we will even throw in the shipping for FREE (Canada & US only.)

Sell them on the internet, advertise in the paper, or use your regular mailing list. Whatever ... Virtually will be a profitable new product line for established and new distributors alike.
